Dear ecumenical colleagues and friends,

We are pleased to share with you information about the Ninth Summit of Asian theologians – the Congress of Asian Theologians (CATS), which will be held in Thulhiriya, Ambepussa, Sri Lanka from 5 to 10 August, 2019.

Initiated by the Christian Conference of Asia in 1997, the CATS is a triennial event that brings together Asian theologians on a common platform.

The theme of CATS-IX is: ‘Reconciliation, Renewal and Restoration: Divine Indicative and Human Imperative.’

Those who are interested to be part of CATS-IX are encouraged to send their application with the necessary details.

The last date for receiving applications is 31st May, 2019.

Sincerely yours,
